INCORPORATING "PORTLAND CEMENT"

Published by Concrete Publications Ltd., 20 Dartmouth Street, London, S.W.1

VOL. IX

1936

### INDEX

	PAGE
Acids of various concentrations, Determining heat of solution in, by H. E. Schwiete and A. Pranschke	183
Air content of plastic mortars, by W. Czernin	206
separation	41
Aluminates, The hydrolytic equilibrium of calcium, by E. P. von Polheim	187
Aluminous cement in blastfurnaces, Manufacture of, by E. Reiter	190
Analysis in the cement industry, Rapid methods of, by F. W. Meier	180
Argillaceous portion of cement raw materials, The nature of the, by K. Endell, V. Hoffmann and E. Maegdefrau	93
Asbestos-cement manufacture, Effect of temperature on	157

#### AUTHORS :

Anselm, W., on A method of determining clinker quality	248
Asano, T., on The well-drill method of blasting	155
Bessey, G. E., on Free lime in cement	163
Bonnell, D. G. R., on The carbonation of unhydrated Portland cement	105
Chandler, W. R., on Relationship of mill charge to surface area of cement	20
Craddock, Q. L., and W. Watson on The influence of catalysts in the production of high-strength cements	13
Czernin, W., on Air content of plastic mortars	206
Dumas, R. J., and V. C. Munt on Bulk supply of cement	95
Endell, K., V. Hoffmann, and E. Maegdefrau on The nature of the argillaceous portion of cement raw materials	93
Gilbert, W., on Heat transmission in rotary kilns	1, 27
Gilbert, W., on Investigations on a slurry drier or calcinator	115, 139, 207
Gronow, H. E. von, on Heat of formation of tricalcium silicate at 1,300 deg. C.	154
Gronow, H. E. von, and H. E. Schwiete on Calculation of the heat in the exothermic reaction of Portland cement	65
Haegermann, G., on Cement testing with wet mortars, 64 ; on Testing of cement with lean mortars ; standard sand	77

	PAGE
Hoffmann, V., K. Endell and E. Maegdefrau on The nature of the argillaceous portion of cement raw materials	93
Honus, O. F., on Heat evolution in the synthesis of Portland cement	183
Hornbrook, F. B., G. L. Kalousek and C. H. Jumper on Cements with low heats of hydration	253
Hsien, D., and H. Kuhl on Physical and chemical influences on the shrinkage of Portland cement	182
Inoue, K., S. Nagai and K. Noni on Studies on ore or iron cement	250
Jennings, J. H., on Cement testing and special cements	221
Jumper, C. H., G. L. Kalousek and F. B. Hornbrook on Cements with low heats of hydration	253
Kalousek, G. L., F. B. Hornbrook and C. H. Jumper on Cements with low heats of hydration	253
Kay, J. G., on The corrosion of Portland cement in water	36
Kennedy, H. L., on Effects on cement of catalysis and dispersion	258
Kruger, L., on Tests for hot cement	271
Kuhl, H., and D. Hsien on Physical and chemical influences on the shrinkage of Portland cement	182
Kuhl, H., on Lime saturation in Portland cements	49
Langavant, G. de, on Corrections to be applied in heat of hydration tests	226, 230
Lee, F. M., on Deterioration of concrete owing to chemical attack	150
Letters, K., on Substances for making mortars impermeable	154
Llewellyn, H. M., on Integral waterproofers	112
Maczkowske, E. E., on Rapid method of ascertaining the silica content of Portland cement	249
Maegdefrau, E., K. Endell and V. Hoffmann on The nature of the argillaceous portion of cement raw materials	93
Matsuoka, K., S. Nagai and K. Noni on Studies on mixed Portland cements	33
Mecke, P., on Solubility of calcium sulphate and calcium hydroxide	110
Meier, F. W., on Rapid methods of analysis in the cement industry	90
Munt, V. C., and R. J. Dumas on Bulk supply of cement	95

PAGE	PAGE
Mussung, G., on Production of Portland cement in a blastfurnace, 182; on Swelling and shrinkage of cement .....	Charge to surface area of cement, Relationship of mill, by W. R. Chandler .....
Nagai, S., and M. Takahara on Effects of fluorides on thermal combination of Portland cement mixtures .....	Chatelier, The late Henry Le .....
Nagai, S., and T. Yoshiura on Effect of calcium fluoride on thermal synthesis of calcium ferrites .....	Chemical attack, Deterioration of concrete owing to, by F. M. Lea .....
Nagai, S., and K. Nonii on Studies on ore cement or iron cement .....	composition, methods of production and quality of Portland cements, Relation between, by D. Steiner .....
Nagai, S., K. Matsuoka and K. Nonii on Studies on mixed Portland cements .....	Clinker, Constituents of Portland cement .....
Nagai, S., K. Nonii and K. Inoue on Studies on ore or iron cement .....	quality, A method of determining, by W. Auselm .....
Nonii, K., and S. Nagai on Studies on ore cement or iron cement .....	sections, Vertical illumination in examining, by E. Spohn .....
Nonii, K., S. Nagai and K. Matsuoka on Studies on mixed Portland cements .....	Concentra rotary kiln and concentrator, A modern cement works with, by G. Ruppert .....
Nonii, K., S. Nagai and K. Inoue on Studies on ore or iron cement .....	Concrete, Electrically-hardened .....
Polheim, E. P. von, on The hydrolytic equilibrium of calcium aluminates .....	Heat evolution of .....
Pranschke, A., and H. E. Schwiete on Determining heat of solution in acids of various concentrations .....	strength .....
Reitler, E., on Manufacture of aluminous cement in blastfurnaces .....	owing to chemical attack, Deterioration of, by F. M. Lea .....
Ruppert, G., on A modern cement works with concentra rotary kiln and concentrator .....	products, Fading of .....
Schwiete, H. E., and H. E. von Gronow on Calculation of the heat in the exothermic reaction of Portland cement .....	units, Rapid production of pre-cast .....
Schwiete, H. E., and A. Pranschke on Determining heat of solution in acids of various concentrations .....	with Portland cement, High-early-strength .....
Spohn, E., on Vertical illumination in examining clinker sections .....	Congress of the International Association for Testing Materials .....
Steiner, D., on Relations between chemical composition, methods of production and quality of Portland cements .....	Corrosion of Portland cement in water, by J. G. Kay .....
Stepoe, A., on Action of carbon dioxide on hardened cement .....	Deterioration of concrete owing to chemical attack, by F. M. Lea .....
Takahara, M., and S. Nagai on Effects of fluorides on thermal combination of Portland cement mixtures .....	Dispersion, Effects on cement of catalysts and, by H. L. Kennedy .....
Watson, W., and Q. L. Craddock on The influence of catalysts in the production of high-strength cements .....	Drier or calcinator, Investigations on a slurry, by W. Gilbert .....
Yoshiura, T., and S. Nagai on Effect of calcium fluoride on thermal synthesis of calcium ferrites .....	Electrically-hardened concrete .....
Zollinger, R., on Cements for special purposes .....	Equilibrium of calcium aluminates, The hydrolytic, by E. P. von Polheim .....
Blastfurnace, Production of Portland cement in a, by G. Mussung .....	Ethylene glycol and the glycerol methods .....
Blastfurnaces, Manufacture of aluminous cement in, by E. Reitler .....	Exothermic reaction of Portland cement, Calculation of the heat in the, by H. E. von Gronow and H. F. Schwiete .....
Blasting, The well-drill method of, by T. Asano .....	Fading of concrete products .....
Bulk supply of cement, by R. J. Dumas and V. C. Munt .....	Fan horse-power, Data relating to .....
Calcinator, Investigations on a slurry drier or, by W. Gilbert .....	Filters in the cement industry, Membrane .....
Calcium aluminates, The hydrolytic equilibrium of, by E. P. von Polheim .....	Fluorides on thermal combination of Portland cement mixtures, Effects of, by S. Nagai and M. Takahara .....
ferrites, Effect of calcium fluoride on thermal synthesis of, by S. Nagai and T. Yoshiura .....	Free lime in cement, by G. E. Bessey .....
silicates, Hydrated .....	Freyssinet's process of making high-strength concrete, M. .....
sulphate and calcium hydroxide, Solubility of, by P. Mecke .....	Gases from rotary kilns, Volumes and weights of .....
CaO-Fe <sub>2</sub> O <sub>3</sub> , The system .....	Glycerol methods, The ethylene glycol and the .....
Carbon dioxide on hardened cement, Action of, by A. Stepoe .....	Heat evolution of concrete .....
Carbonation of unhydrated Portland cement, by D. G. R. Bonnell .....	evolution in the synthesis of Portland cement, by O. F. Honus .....
Catalysts and dispersion, Effects on cement of, by H. L. Kennedy .....	in the exothermic reaction of Portland cement, Calculation of the, by H. E. von Gronow and H. E. Schwiete .....
in the production of high-strength cements, The influence of, by W. Watson and Q. L. Craddock .....	of hydration of partially prehydrated cements .....
Cement, Bulk supply of, by R. J. Dumas and V. C. Munt .....	of hydration tests, Corrections to be applied in, by C. de Langavant .....
Modified standard definition of .....	High-early-strength concrete with Portland cement .....
works with concentra rotary kiln and concentrator, A modern, by G. Ruppert .....	High-strength cements, The influence of catalysts in the production of, by W. Watson and Q. L. Craddock .....
Cements for special purposes, by R. Zollinger .....	concrete, M. Freyssinet's process of making .....
Studies on mixed Portland, by S. Nagai, K. Matsuoka and K. Nonii .....	Hydrated calcium silicates .....
	Heat of solution in acids of various concentrations, Determining, by H. E. Schwiete and A. Pranschke .....
	transmission in rotary kilns, by W. Gilbert .....
	Heats of hydration, Cements with low, by F. B. Hornbrook, G. L. Kalousek and C. H. Jumper .....
	Hot cement, Tests for, by L. Krüger .....
	Hydration, Cements with low heats of, by F. B. Hornbrook, G. L. Kalousek and C. H. Jumper .....
	of partially prehydrated cements, Heat of tests, Corrections to be applied in heat of, by G. de Langavant .....
	Hydrolytic equilibrium of calcium aluminates, by E. P. von Polheim .....
	illumination in examining clinker sections, Vertical, by E. Spohn .....
	Impermeable, Substances for making mortars, by K. Letters .....
	Insulation of rotary kilns .....
